Hey Deb. Have you had a chance to invite Martin?

Let's do it! Launch from the new dock on the Passaic River in Newark? Lots of CSOs there.  
We could either use Baykeeper or Hackensack Riverkeeper kayaks and canoes. Do you want to get us some dates and then we can work on it from there?

Remember that brilliant idea you had? Let's do it. Where/when were you thinking? Remember, Judith can only do canoe or kayak, no motorized boats. She really want Comm. Martin to come. What do you think? We could invite him if needed. Also, she though having press along might be a good idea. Thoughts?
